Information about the first semester of Master of Science „Health Science – Prevention and Health Promotion”

Good to know…

- In the first semester in the study plan there are the following courses:
  1. Health and Society (5 Credits)
     Course Number* (lecture): 8100010000; Course number (exercise): 8100010002
  2. Study Design; Ethics (5 Credits)
     Course Number (lecture): 8100020000; Course number (seminar): 8100020001
  3. Scientific Data Processing (5 Credits)
     Course number (exercise): 8100040000
  4. Choose two out of three:
     Physical Activity (8 Credits); 
     Course number (seminar): 8100070001; Course Number (lecture): 8100070000; Course 
     number (exercise): 8100070002
     Nutrition (8 Credits); 
     Course Number (lecture): 8100060000; Course number (exercise): 8100060001
     Psychology (8 Credits) 
     Course Number (lecture): 8100080000; Course number (seminar): 8100080002

- The course “Scientific Data Processing” is also offered in the 2. Semester (summer semester). The other courses are only offered in the 1. and 3. Semester (winter semesters).

- If you don’t take all the intended courses in the first semester (or you don’t pass the exam), you have to pass at least one of the following modules by the end of the second semester:
  1. Health and Society (5 Credits)
  2. Study Design; Ethics (5 Credits)
  3. Scientific Data Processing (5 Creditis)

- Further, you have to watch out, that you have earned a minimum of 30 Credits by the end of the third semester, see general academic and examination regulations for Bachelor’s and Master’s Programs (APSO, §10).

- Students whose native language is not German, will have to present a language test within the first year of study (at least by the end of the second semester) like:
  - certificate of any German course of the TUM language Center (registration via TUMonline)
  - passed lecture/seminar/exercise of your studies in German language
  - official German certificate, like Goethe-Insitut, etc.
  - German course of the departmental student council (Fachschaft) (will be offered in the future)

*The Course Number you can find in TUMonline to choose the courses. Further, you have to register to the courses in TUMonline!
