

Information about the 1st semester

M.Sc. Sport and Exercise Science

Good to know...

- In the first semester in the study plan there are the following courses:
 - **Biomechanics, Human Movement and Neuromechanical Control (5 Credits)**
Course Number* (lecture): 8610010000; Course number (lecture): 8610010001; Course number (lecture): 8610010002; Course number (seminar): 8610010003; Course number (seminar): 8610010004; Course number (seminar): 8610010005
 - **Current Topics in Exercise Biology, Performance testing and Health (5 Credits)**
Course Number (lecture): 8610020000; Course number (seminar): 8610020002; Course Number (lecture): 8610020001; Course number (seminar): 8610020003
 - **Current Social And Political Topics Of Sports in Global Societies (5 Credits)**
Course number (lecture): 8610030000; Course number (seminar): 8610030001
 - **Study Design, Ethics (5 Credits)**
Course number (lecture): 8100020000; Course number (seminar): 8100020001
 - **Technical Analysis (5 Credits)**
Course Number (seminar): 8610210000
 - **Entrepreneurial Opportunity Development (5 Credits)**
Course Number (lecture): WI001158VO

- *The Course Number you can find in TUMonline to choose the courses. Further, you have to register to the courses in TUMonline!

- Courses of all listed modules are only offered in the 1. and 3. Semester (winter semesters).
- If you don't take all the intended courses in the first semester (or you don't pass the exam), you have to pass at least **one** of the following modules **by the end of the second semester**:
 1. Biomechanics, human movement and neuromechanical control (5 Credits)
 2. Current topics in exercise biology, performance testing and Health (5 Credits)
 3. Current social and political topics of sport in global societies (5 Credits)
 4. Study Design, Ethics (5 Credits)
 5. Technical Analysis (5 Credits)
 6. Entrepreneurial Opportunity Development (5 Credits)
 7. Advanced Statistics (6 Credits, module of the 2nd semester)

- **Further, you have to watch out, that you have earned a minimum of 30 Credits by the end of the third semester**, see general academic and examination regulations for Bachelor's and Master's Programs (APSO, §10).

Rocket.Chat groups for exchange: We have created Rocket.Chat groups for the different study programs. In these groups, you can exchange ideas on any topic, share information about events, jobs, etc., and you can also find updates about your studies. Register and check in regularly:
